Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the enclosed PTO-1449 form. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request. A copy of a communication from a foreign patent office in a counterpart application is also enclosed.

A concise statement of the relevance, as it is presently understood by Applicants' representatives, of the non-English language documents listed on the enclosed PTO-1449 form is provided by the provided Abstract translations and as follows:

The "Notice of Reason for Rejection" for Japanese Application No. 2006-343581 mailed on July 21, 2009 (Desig. ID C3) cites JP H08-240220 (Desig. ID B3), JP H04-084829 (Desig. ID B2), JP S61-035222 (Desig. ID B4), and JP S61-037497 (Desig. ID B5).

The attached Form PTO-1449 submitted with this Information Disclosure Statement identifies the Patent Office's prosecution files for one or more other U.S. patents or patent applications for consideration in the present application. Although it is understood that the Examiner has convenient, electronic access to the Patent Office's prosecution files of these patents and/or applications at his or her desktop, copies of the Patent Office's prosecution files are included for the Examiner's convenience. The included Patent Office's prosecution files are obtained from the Patent Office Patent Application Information Retrieval (PAIR) system and are current as of the date of filing of this Information Disclosure Statement. Prosecution in one or more of the identified applications may be ongoing.

CERTIFICATE OF MAILING BY EFS-WEB FILING

I hereby certify that this paper was filed with the Patent and Trademark Office using the EFS-WEB system on this date: October 06, 2009

Applicant : Teets, et al.
Serial No. : 10/712,917
Filed : November 13, 2003
Page : 2 of 2

Attorney's Docket No.: 23700-0016RE1

In addition to considering the patents, applications and Patent Office's prosecution files as attached, Applicant also understands that the Examiner will, throughout the pendency of the present application, periodically review the Patent Office's files of the identified applications for any further developments. If the Examiner needs any further action or assistance by Applicant to access and periodically consider the Patent Office's prosecution files in the future, please notify the undersigned.

This filing is being made with the filing of a Request for Continued Examination. No fee is required.

Respectfully submitted,

Date: October 6, 2009

/Michael K. Henry/
